

Do you live in the City of Hume/  
Greater Dandenong? Were you born  
overseas, speak a language other  
than English at home, are aged 18  
years and over? Have you ever used  
social services related to health,  
employment (including job training)  
and/or housing in either of these  
two locations?

If your response is yes to the above questions,  
we would love to have a conversation with  
you about your experiences with these social  
services. This confidential face-to-face/Zoom  
conversation will be a researcher from Deakin  
University and will take about 40-60 minutes.  
A \$50 Coles gift card will be provided as a  
token of appreciation upon completion.

As we have limited spots for these  
conversations, please get in touch with Enqi
