Proportion of VET students who were **satisfied with training** provided by Australian Vietnamese Women's Association Inc

2023 n = 30

This measure is based on the proportion of students who reported that they were "Very satisfied" or "Satisfied" with training provided by the RTO, exclusive of missing items and 'not applicable' responses.

	2021	2022	2023
Overall, how satisfied were you with your training at your training organisation?	95.0	93.0 ▼	90.0 ▼

Proportion of VET students who reported a **positive perception of teaching**

2023 n = 28

This measure is based on the proportion of students who reported that they were "Very satisfied" or "Satisfied" with **all** three components of the question, exclusive of missing items and "Not applicable" responses.

	2021	2022	2023
Clearly taught the subject	90.5	89.4 ▼	100.0 ▲
Understood your learning needs	90.5	91.3 ▲	96.4 ▲
Had current industry experience	77.8	93.0 ▲	100.0 ▲

Proportion of VET students who reported a **positive perception of the assessment process**

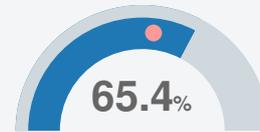

2023 n = 28

This measure is based on the proportion of students who reported that they were "Very satisfied" or "Satisfied" with **all** three components of the question, exclusive of missing items and "Not applicable" responses.

	2021	2022	2023
Clearly outlined to you	90.0	97.6 ▲	96.4 ▼
Appropriate for your studies	90.0	97.6 ▲	92.9 ▼
Carried out as outlined to you	90.0	97.6 ▲	92.3 ▼

Proportion of VET students who were satisfied with **generic skills and learning experiences** in 2023

2023 n = 26

This measure is based on the proportion of students who reported that they were "Very satisfied" or "Satisfied" with **all** five components of the question, exclusive of missing items and "Not applicable" responses.

The methodology used to construct this measure was changed in 2023. Consequently, results for prior years are not comparable and have not been included in the 2023 release of VETStat.

	2021	2022	2023
Problem solving skills	90.0	92.9 ▲	96.2 ▲
Team working skills	100.0	95.1 ▼	100.0 ▲
Communication skills	-	-	92.3
Planning and organisation skills	-	-	91.7
Digital skills (e.g. using information from computers and digital devices)	-	-	66.7

Student outcomes summary

Legend

Australian Vietnamese Women's Association Inc ■ 2023 ■ 2022 ● 2023 Victorian average ▲ Higher than previous year ▼ Lower than previous year

Proportion of VET students who **achieved their main reason for training**

2023 n = 33

This measure is based on the proportion of students who reported they “Strongly Agree” or “Agree” that they achieved their main reason for undertaking training.

	2021	2022	2023
You achieved your main reason for doing the course	95.8	91.5 ▼	90.9 ▼

Proportion of VET students with an **improved employment status after training**

2023 n = 21

This measure is based on student responses to several questions. Students had an “improved employment status after training” if they were employed before training and afterwards had greater responsibility, a promotion, started a new role, earned more, worked more hours, gained extra skills, completed an apprenticeship/traineeship or set up a business. For those who were unemployed, they had “improved employment status” if they got a job or set up a business.

	2021	2022	2023
Proportion of VET students with an improved employment status after training	37.5	62.5 ▲	52.4 ▼

Proportion of VET students who went on to **further study at a higher level** than their completed training

2023 n = 20

Students who commenced another course or further study were asked about the level of the new course. This measure is based on the proportion of students who reported that they were going onto further study at a higher level than the course recorded in their administrative data.

	2021	2022	2023
Proportion of VET students who went on to further study at a higher level than their completed training	26.7	26.7	40.0 ▲

Proportion of VET students who would **recommend** Australian Vietnamese Women's Association Inc

2023 n = 25

This measure is based on the proportion of students who reported that they were “Very likely” or “Likely” to recommend the RTO to other students.

	2021	2022	2023
How likely would you be to recommend the training organisation to other students?	90.0	95.1 ▲	100.0 ▲

Employer feedback summary

Results from the *Employer Satisfaction Survey* will only be shown where there are five or more employers of apprentices or trainees who responded to the survey.

Proportion of employers who reported improvement in the technical/job specific skills of their apprentices and trainees

This measure is based on the proportion of employers who reported that they were “Highly Satisfied” or “Satisfied” that the RTO contributed to an improvement in their apprentice(s)/trainee(s)’ technical/job specific skills. The methodology used to construct this measure was changed in 2022. To allow for comparison, the historical time-series have been revised to be consistent with the 2022 methodology. Consequently, the numbers for 2021 are different to those reported previously.
